# NATURAL GAS INSTALLATION

## **YOUR ESTIMATED SITE READINESS DATE IS WHEN:**

- All other underground utilities have been installed.
- The building has been backfilled and the property is leveled within 15 cm of final grade in the area of service installation.
- All construction materials and obstructions have been removed from service pipe alignment.
- The service pipe entry location has been marked inside and outside.
- The service pipe alignment is staked (zero lot line construction only).

## **YOUR APPLICATION FOR INSTALLATION WILL BE SCHEDULED WHEN:**

- The building and construction site is in the state of readiness referred to above, and you have informed the Town by calling 780-524-5150.

## **YOUR METER WILL BE SET WHEN:**

- Your natural gas service installation is completed.
- All your interior piping has been installed and received final approval by the inspection authority in your area.
- The interior piping has been tagged on all multi-family dwellings and banked meter installations, to show the number of units it supplies.
- The Town of Valleyview may refuse any application by you or any subsequent owner to set a meter and/or commence supplying gas until the natural gas service installation charges have been paid in full.
- The Town of Valleyview has accepted a meter application.

## **TERMS AND CONDITIONS**

THIS APPLICATION SHALL CONSTITUTE A CONTRACT AT THE TIME CONSTRUCTION COMMENCES ON THE WORK APPLIED FOR SUBJECT TO THE FOLLOWING TERMS AND CONDITIONS.

1. The application agrees to pay for the service hereby applied for within 30 days from the date of invoice. Overdue accounts will be charged interest at the Town of Valleyview's standard account interest in effect from time to time (currently 1.5% per month, subject to change without notice).
2. The applicant and/or owner grants the Town of Valleyview right of entry to the property to perform the work applied for; and continuous access to the property for the purpose of meter reading and maintenance of all equipment needed to supply service to the property.
3. All service pipes and meters remain the property of the Town.
4. Location and time of carrying out the work applied for is determined by the Town and the charges in effect at the time of installation shall apply.
5. The Town is authorized to make a credit check of applicant and/or owner and to require pre-payment of the estimated charges in full or in part before commencing construction.
6. The owner and applicant named in this application agree that they are jointly and severally responsible to pay for the service hereby applied for.
